**FROM:** Gerard Goedhart, District Manager  
**SUBJECT:** Weekly Memo – Week Ending December 31, 2009

### Special Operations Committee Meeting

A special meeting of the Operations Committee has been set for Thursday, January 14 at 2:00 p.m. The Committee will be meeting with representatives of private pest control companies to discuss the possible privatization pilot program. The companies being invited are the District's current partners in the Fire Ant Program. Staff will be attending the meeting but not participating in the round table discussion.

In order to assist the Committee in their preparation, staff has sent the members the attached "Areas of Concern." I hope that the special meeting will lead the Committee to make its recommendation to the Board soon.

**On behalf of all OCVCD employees, I wish you a Happy New Year. Thank you for all your support in 2009.**
